Transferability of Courses – Parent and Student Notification

Matrix for Success Academy currently offers A-G course requirements for UC and CSU and is accredited by the Western Association of Schools and Colleges (WASC) through June 30, 2029. As a charter school, Matrix for Success Academy will maintain accreditation from WASC and continue to offer courses that meet the A-G university requirements.

Matrix for Success Academy maintains a course list for the independent charter school and applies to the UC Board of Admissions and Relations with Schools Committee, as necessary, for new course approval. All parents and students will be notified that Matrix for Success Academy is WASC accredited and thus courses are transferable to other public schools and offers A-G college requirements (Ed. Code § 47605(b)(5)(A)(iii).), and thus courses meet college entrance requirements, in the following ways: social media, summer mailings, school brochures, parent information nights, fall recruitment nights at feeder middle schools, updated website and our newsletters to the community. All documents are translated to meet the needs of non-English speaking households.
