Male and female students have the right to equal learning opportunities in their schools and must be treated the same in all PAZLO District educational activities and programs, including:

- Athletics
- Physical Education
- The classes they can take
- The way they are treated in the educational programs and activities
- The kind of counseling they are given
- The extracurricular activities, programs and clubs in which they can participate
- The honors, special awards, scholarships and graduation activities in which they can participate

Students who feel that their rights are being violated have the right to take action and are encouraged to resolve any situation by speaking to a school administrator, Title IX/Bullying Complaint Coordinator, Counselor, or trusted adult at the school, or filing a complaint. (see Uniform Complaint Procedures). Students are encouraged whenever possible to try to resolve their complaints directly at the school site. Any student who believes he/she is being discriminated against in violation of Title IX has the right to file a complaint. For further information or assistance:
